Lock kit for wall cabinets and cupboards

I

CARATTERISTICHE COSTRUTTIVE

I nostri prodotti sono realizzati in acciaio inox AISI 304 finitura scotch brite e acciaio inox AISI 430 finitura scotch brite e sono costruiti in conformità alle norme di prodotto relative all'igienicità, alla pulizia ed alla sicurezza.

Per i prodotti **costruiti interamente in acciaio AISI 304 finitura scotch brite** richiedere prezzo al nostro Ufficio Commerciale.

N.B. : I disegni e le immagini sono indicativi e non impegnano la ditta costruttrice che si riserva facoltà di apportare modifiche strutturali per un miglioramento del prodotto stesso

GB

TECHNICAL SPECIFICATION

Our products are made of stainless steel AISI 304 scotch brite, stainless steel AISI 430 scotch brite finish and are manufactured in compliance with the product standards for the hygiene, cleanliness and safety.

For products **manufactured entirely in stainless steel AISI 304 scotch brite** to our Sales Office for a price.

NB : Drawings and images are not binding for the manufacturer who reserves the right to make structural changes to an improvement of the product itself

TAVOLI DA LAVORO CON RIPIANO

Caratteristiche generali

Piano di lavoro in acciaio inox AISI 304 insonorizzato con pannello bilaminato e rinforzato con omega
Gambe cm 4x4 in acciaio inox AISI 304 con piedi regolabili in ABS
Ripiano in acciaio inox rinforzato con omega
Alzatina spessore 1,5 cm e altezza 10 cm
Fornito smontato ed imballato in scatola di cartone

WORK TABLES WITH SHELVES

General characteristics

AISI 304 stainless steel work top soundproofed with bilaminated panel and reinforced with omega
cm 4x4 AISI 304 stainless steel legs with ABS adjustable feet
Shelf in stainless steel reinforced with omega
Upstand 1,5 cm thick and 10 cm high
Supplied disassembled and packed in a cardboard box

A richiesta

- costruzione interamente in acciaio AISI 304 finitura scotch brite

On demand

- *construction entirely in AISI 304 steel with scotch brite finish*

RIPIANI DI APPOGGIO PER TAVOLI

Caratteristiche generali

Struttura in acciaio inox AISI 430 rinforzata con omega
Alimentazione corpo riscaldante 230/1/50 (solo articoli CRS e CRD)

OVERSHELVES

General characteristics

Structure in AISI 430 stainless steel reinforced with omega
Heating body power supply 230/1/50 (only article CRS and CRD)

KIT SCAFFALI IN ALLUMINIO

Caratteristiche generali

Montanti in alluminio Ø3,5 cm, ripiani in alluminio/propilene
Capacità: 150 Kg per ogni scaffale

KIT STANDARD: 4 montanti, 4 ripiani, 16 bussole fermaripiani
Fornito smontato

KIT SHELVES IN ALUMINIUM

General characteristics

Mountings in Aluminuim Ø3,5 cm, shelves in aluminuim/propylene
Capacity: 150 Kg for each shelf

KIT STANDARD: 4 mountings, 4 shelves, 16 bushings
Supplied disassembled and packed in a cardboard box

CONDIZIONI GENERALI DI VENDITA

Gli ordini devono pervenire alla ns. sede per posta elettronica o attraverso il Ns sito internet, e possono essere ritenuti accettati solo dopo il ricevimento della relativa conferma d' ordine. Ogni ordine comporta per l'acquirente l' accettazione senza riserve delle presenti condizioni di vendita. Eventuali variazioni dovranno essere concordate e confermate dalla ns. società ed avranno valore solo alla vendita alla quale si riferiscono.

PREZZI:

I prezzi indicati nel presente listino sono al netto di IVA, spese di trasporto , imballo e di qualsiasi altro onere.

I prezzi sono suscettibili di variazioni senza preavviso in adeguamento ai costi di materiale e mano d' opera e sono pertanto validi quelli in vigore alla data dell' ordine.

PAGAMENTI:

I pagamenti devono essere effettuati presso la ns. sede o tramite banca, a seconda di quanto riportato nella ns. conferma d' ordine. Non sono ammessi arrotondamenti o trattenute arbitrarie. Il ritardato pagamento darà luogo all' addebito delle spese e degli interessi di mora.

Non sono ammesse compensazioni fra gli importi dovuti ed eventuali crediti derivanti da reclami e/o applicazione delle clausole di garanzia.

TERMINI DI CONSEGNA:

I termini di consegna non sono impegnativi.

La ns. società si riserva di frazionare o differire le consegne dei prodotti, anche appartenenti al medesimo ordine, in conseguenza a cause di forza maggiore, senza che ciò possa dar luogo a contestazioni, indennizzi o risarcimenti di alcun genere, o all' annullamento totale o parziale dell' ordine da parte del Cliente. La consegna, se non diversamente concordata per iscritto, sarà eseguita franco ns. stabilimento. La merce viaggia sempre a rischio del Cliente anche in caso di resa franco destino. Eventuali danni o mancanze devono essere contestati dal Cliente al vettore al momento della consegna. In caso di ritardato ritiro la consegna viene considerata eseguita dal giorno successivo all' avviso di merce pronta

GARANZIA:

Ogni nostro prodotto è coperto da garanzia su qualsiasi difetto di progettazione e fabbricazione con validità di 12 mesi dalla data di consegna. Eventuali contestazioni o reclami devono pervenire per iscritto alla ns. società entro 8 giorni dal ricevimento della merce, pena la decadenza della garanzia stessa. La garanzia è limitata alla riparazione o sostituzione dei prodotti o loro componenti che risultassero originariamente difettosi e che non presentino inconvenienti dovuti a normale logorio, errato o improprio utilizzo o evidente manomissione. I materiali da riparare o sostituire dovranno essere inviati in porto franco presso il ns. stabilimento, indicando nel documento di accompagnamento la causale e gli estremi della ns. fattura relativa, e saranno riconsegnati al cliente in porto assegnato. Nel caso fosse necessario un intervento tecnico verranno addebitate al Cliente le relative spese di mano d' opera, viaggio e trasferta. L'avanzamento di un reclamo non libera il cliente dall' obbligo del pagamento dell' intero prezzo nei termini convenuti nella ns. conferma d' ordine. L' applicazione dei termini di garanzia non comporta in alcun caso obblighi di risarcimento danni nei confronti del Cliente.

FORO COMPETENTE:

Per eventuali controversie è competente il Foro di Pavia.

GENERAL SALE CONDITIONS

ORDERS:
Orders must be sent by e-mail or our site, and will be accepted only after reception of the order confirmation. For every order the Customer accept our General Sale Conditions without reserve.Eventual variations must be concorded and confirmed by our Society and will be valid just for the referred sale.

PRICES:
Prices in this list are tax-free, transport-free, packaging-free and free for every other burden, tax too.
Prices are susceptibles of variations without advise, in adjusting with materials and labour costs increase.
However just the price at the time of order will be valid.

PAYMENTS:
Payments must be effectuated to our office or by mean of a bank, like reported in the order confirmation. No approximations or arbitrary reductions are admitted. Delays of payment will be comports, for the buyer, the payment of interests and relative costs. No payment compensation is admitted between due amount and credits from guarantee causes.

DELIVERY TERMS:
Delivery terms are not an obligation.
Our Society reserve herself to fraction or post-pone the delivery of the goods also referring to the same order, for major cause, without the Customer could pretend any indemnity or resolve the contract totally or partially.
Delivery, if not enroled, will be executed in our factory.
Goods always are carried on Client responsability and risk, even if transported until final destination. Deficits or averages have to be contested to the carrier from the Client at the delivery moment. Delivery is considerated executed from the day after the advice of ready goods.

GUARANTEE:
Every our product is covered for projectual or manifacturing defects. Guarantee has a period of 12 months from delivery date. Eventual complaint has to be enroled to our Society within 8 days, under decadence of guarantee terms. Guarantee is limited to repair or replacement of the products or their components resulting originally defective, not with normal consumption, wrong or not proper use or evident manipulating signs. Materials to repair or substitute will have to be sent, carriage free, to our factory, previously indicate on delivery document our notice and the reasons for the compliant, and they will be delayed to the Customer in free factory. If necessary, labour costs and journey charges for a technical presence will be debit to the Customer. For eventual complaint Customer is not free from the whole payment in terms of our order confirmation. The compensation for direct or indirect damages resulting from guarantee application therefore excluded a damage compensation for the Customer.

COMPETENT COURT OF JUSTICE:
For any dispute will be competent the Court of Justice of Pavia, Italy.
